

HLASH RAINER GmbH

LADUNGSSICHERUNGSTECHNIK

battery operated tensioner

for textile webbings up to 50 mm width

robust and ergonomic

weight: 3.54 kg incl. battery

high degree of tension power

average tension:
(when used with 6 t webbing and
knurled 4 t buckle))

position 1: high torque: ~ 314 daN
position 2: high speed: ~ 118 daN
